

Important Announcement About Your DEFINITY ECS Release 8.3 Documentation

Thank you for choosing DEFINITY Enterprise Communications Server R8.3.

You should have received a number of documents, either on CD or as paper books, with your R8.1 or R8.2 system. Information about what is new for R8.3 is available in three documents at the following web site:

<http://glsdocs.lucent.com>

Select **DEFINITY ECS R8.3** and look for these documents:

- *What's New for DEFINITY ECS R8.3*, 555-233-221
- *DEFINITY ECS R8.3 Change Description*, 555-233-220
- *DEFINITY ECS What's New: Network Call Redirection*, 555-233-759
