

BE TWEE WITH ME

There are 5 corporations
we don't need, never have.

BMG, EMI, Sony, Universal
and Warner Bros. are going down!
You should make sure it happens.

The Big Five Music Industry's sales are dropping precipitously. If they're gone, there will be more money for artists, less corruption, less mainstream music, radio and entertainment.

Don't believe us? Do some research. We did.

We must keep downloading free music
